# DECORATION

AN UNIQUE EXPERIENCE IN THE ART OF CERAMIC

An exclusive workshop that can be scheduled throughout the year,  
subject to laboratory and teacher availability.

---

## SUBJECT

A course dedicated to the decoration of the final ceramic object. After making the object, the decoration phase takes place, which varies according to the participant's skills: on white biscuit, for beginners, or on glazes for experienced ceramists. A course in which the student receives comprehensive training in ceramic decoration. A team of expert teachers will explain and teach the secrets and theoretical and practical details inherent to ceramic decoration. A journey that takes the participant step by step through the history of decoration, which for decades has distinguished the art of ceramic manufacture, leading to the most current and potentially productive vision.

---

## FREQUENCY

The course will be held on any day of the week, with a choice of 8:30/12:30 or 13:30/17:30 for 4 hours of training.

---

## COST

115 euros (C/IVA) if there are two or more participants (up to 10/12 participants); or 220 euros (C/IVA) for a single participant.
